FEES

For the past two years we have had the good fortune to have the CGS After School Program funded by the 21st Century Community Learning Center Grant. Unfortunately, the funding of this grant has been cut by 40%. The amount of funding that will be lost because of these cuts is going to have an obvious impact on the CGS Afterschool program.

To ensure that we are able to deliver a quality program, it will be necessary to charge a nominal fee for the upcoming school year with the option to increase the fee (if necessary) in order to sustain the program.

There will be a set fee for each month for all students regardless of the number of days the students attends the After School Program. **The payment for September is due at enrollment.**

Monthly fee per student (based on lunch status)

- Free lunch status–No charge
- Reduced lunch status–\$2.25 per month
- Students not qualifying for free or reduced lunch services–\$15

Payment must be submitted to the office by the 5th of each month. Please make checks payable to Colby Grade School and include your child/children's name on the payment. **Fees are non-refundable.**

TO ENROLL: Please complete the form on the reverse side of this letter.
